

Hey Teachers!

Sign up today to enroll your class in Weather Wise! Weather Wise is a study focused on weather. Through the use of the Oklahoma Climatological Survey website, students will be able to learn about Oklahoma's weather and climate, track storms, use real-time weather observations, radar data and more. This is the season for interesting Oklahoma weather, so sign your class up today to participate in this excellent study.

Weather Wise includes:

- One classroom set (25 copies) of *The Oklahoman* delivered to your school April 2-5. Lessons include water conservation, wildfires, wind gusts and spring planting.
- One classroom set (25 copies) of the *100 Years of Weather* delivered the week of April 2.

This program is complimentary to all schools.

YES! My class would like to participate in Weather Wise.
