

ANNOUNCING
The Norman Weather Community's
Job Shadow Day
Tuesday, February 5, 2013

**National Weather Center
University of Oklahoma
120 David L. Boren Blvd.
Norman, OK**

- **The Norman Weather Community would like to offer Job Shadowing opportunities to Cleveland County high school students.**
- **Students would spend either a half or full day shadowing a forecaster, weather researcher, or technician.**

To register submit an application and medical forms (available at http://www.mesonet.org/index.php/earthstorm/page/job_shadow) to your school counselor by January 23, 2013.
